**AT ADAMS TODAY**

Thought His Rig Was Stolen.

Monday afternoon Anthony Clark, who keeps a meat market on Pleasant street, drove to Chase Bros in North Adams to purchase some beef. He was accompanied by Henry Cody, who was slightly intoxicated. When the wagon had been loaded Mr. Clark stepped into the office to see Mr. Chase and when he returned the team was gone. He did not know what to think and at once telephoned the local police and said he thought it had been stolen. It was discovered in due time however and Mr. Cody was arrested for drunkenness.

After the ceremony a reception was held at the bride's home on Commercial street. Both are popular young people and have the congratulations of many friends.

The regular meeting of the board of health was held Monday evening. Various matters were discussed and a public dumping ground was purchased from L. Brown on the north side of Fisk road. There are five acres all lying between the road and the river. This action on the part of the board is highly commendable since there has never been any dump of the sort in town before though the town has long felt its need.

**POWELL**

Abraham Gardner Parker.

A G. Parker died at his home in Powell, Saturday evening about 8 o'clock, after an illness of only about three hours. He had been enjoying his usual good health on the very day of his death and at about 4 o'clock had been performing his usual occupation of posting books. He was taken very suddenly ill with a slight stroke of apoplexy about 4:30 o'clock, but rallied from this and knew all the family. Another stroke came later to which his weakened system succumbed. Mr. Parker was born in 1835 and was therefore nearly 52 years of age. During his early years he was obliged to work hard to make a living, previous to 1835 working on a farm and during the winter drawing wood from the Green Mountains. At one time he was so poor to buy shoes and would warm his feet on cold mornings in the fall by roasting the cows and standing in the warm place made by their bodies. In 1836 he took up the mercantile business in Hoosick Falls, N. Y., but soon came to Powell and took up the same calling there. He had been in business 61 years 57 of which he had been a proprietor. He was married in 1852 to Miss Persis Goodale who died about eight months ago, after a married life of 35 years. They were both the last of eight children. He was the senior deacon of the Baptist church of which he has been a member for many years. He was the clerk of the church. Mr. Parker was the representative from this town in 1890 and was a member of the last constitutional convention. The funeral will take place tomorrow afternoon at the house at 2 o'clock, the Rev. B. F. Kellogg officiating.

**CHESHIRE**

All are invited to the social this afternoon and evening at the house of C. J. Fales at the east part of the town. There will be a large crowd. The ride will be a free one.

**That North Adams people will want to support a good ball team was shown clearly enough last Saturday by the very large crowd that was at the ball park because of the promise of a good game from strong opponents. It is a strange thing for a city to be howling because no teams beat its own club. Generally that condition is quite satisfactory. It certainly is in Boston just now.**

**DON'T HAWK!**

It is Unnecessary and Positively Harmful. Learn to Stop It.

It may be habit. It may be catarrh. But catarrh is dangerous. The habit is disgusting. Catarrh causes headaches, inflammation of the eyes, deafness and consumption. The habit causes humiliation. Catarrh and habit should be cured. Mr. John R. King, of 58 Elm street, Hoosick Falls, is well known in North Adams and his words carry weight. His wife reports him as saying "I have been troubled for some years with catarrh in the head and throat. My head was badly stuffed up, and such quantities of matter ran into the throat that it kept me continually hawking and spitting. My wife got me a bottle of California Catarrh Cure at Burlington & Darby's drug store in North Adams, and since using it all the disagreeable symptoms are greatly relieved. I don't have to hawk nearly as much now, and I am sure C. C. is a fine remedy."

**By the use of California Catarrh Cure perfect cleanliness of the nasal passages is secured and the peculiar properties of the herbs used in its production not only cleanse the mucous membrane of all inflammation but also effectually destroy all forms of fungus which may grow in the throat or nasal passages. It has cured cases of almost total deafness, restored the ability to detect odors to persons who had almost forgotten what an odor was, and has cured cases where would have resulted in total blindness. Let no one who has suffered any of the evils of catarrh hesitate to secure a bottle of California Catarrh Cure with full faith that he will obtain relief and cure.**

**California Catarrh Cure is sold by all dealers at one cent three times as much as one dollar.**

A Heated Chase

**A young man who keeps his horse in Mr. Bryant's barn on Linden street, returned from a drive a few evenings ago rather late, and as he slipped off the harness the horse went into a stable occupied by Mr. Bryant's cow. In order to right matters the young man found it necessary to untie the cow and as the barn door had not been closed she started out on a foraging expedition. The horse was placed in his own stall and then the young man went out to drive the cow in, but she was not ready to come in. There were in the neighborhood many gardens and lawns unprotected by fences and the cow, having sniffed the air of freedom was in no mood for restrictions. Consequently as her pursuer approached she moved from rather than toward home. With a loud "woah there," the young man quickened his pace in an effort to surround to old bovine, but she was not ready to go in, and with elevated horns and tail she started off at a pace that would have excited the admiration of a professional wheelman. Her pursuer made up his mind that if a sprinting match was what the cow wanted she would get it and he half or three-quarters of an hour the pair flew through gardens over lawns and across vacant lots at a genuine John G. Gipsy pace. If it had been daylight the show would have been worth much more than to damage done but it was a pitch dark and the spirited animal ran a wild and**

## THE COUNCIL MIXED

A Lengthy Session of Unprecedented Bunting Held Last Night.

ADJOURNMENT WAS A RELIEF

Wrangles Over Almost All Points and the Boss Wrangle Over a Recommendation by the Mayor.  
Mr. Hamer's Insistence and the Objections of Others.

An adjourned meeting of the city council was held Monday night according to a vote passed at the last regular meeting two weeks ago. The paying of streets under the provisions of the special act of the legislature passed early in the year was a principal part of the business of the regular meeting and it was voted to adjourn for two weeks for further consideration of that important item of business.

The council proceeded to one of the most unattractive and painful sessions of its history. It was called to order by President Brainerd and the roll call showed 15 members present at that moment. Mr. Whitaker moved that the council proceed in the regular order of business which was voted. A pause followed for communications from the mayor and business was proceeded with. There was no unfinished business and Mr. Hamer introduced a petition praying that the old school house at Graytown be used as a polling place and home room, that the building be fitted up and that a volunteer fire department be formed to have the use of the old hook and ladder truck, hose reel and hose, to be kept in that school building. Mr. Hamer spoke with reference to his petition and moved his petition referred to the committee on fire department and finance. Mr. Whitaker said it could not be referred to two committees and Mr. Hamer could not see why it could not be so referred, but was willing to accept the correction to refer to the fire department committee.

Mr. Spikes spoke in favor of the motion and the petition was referred to the committee on fire department. Mr. Whitaker spoke with reference to the matter after it was passed and Mr. Hamer attempted to reply when he was unnecessarily set upon by Mr. Perry and the president.

The committee on streets reported that Highland avenue be accepted and that a hearing be given remonstrants, if any, at the next regular meeting of the council.

Mr. Whitaker moved the report accepted and that notice to those interested be given. There was such a lot of laughing over the simple affair that as a way out, City Solicitor Taylor was called in to find a loose end of the tangle. After Mr. Taylor's explanation that the accepting of a report was not the accepting of a street, Mr. Perry withdrew his confusing objections and the report of the committee was received and the order of notice adopted.

Similar reports and orders concerning Police and Gallip streets were disposed of in like manner.

The finance committee recommended that a piece of land now part of the public library grounds be mapped and sold to Dr. J. H. Matte for \$30 and the report was adopted.

A communication was received from the mayor transmitting to the council the request that the mayor appoint delegates to represent the city at the convention of the National conference of the charity and correction association at Toronto, July 7 to 14. The communication named Rev. A. B. Church and Almoner W. H. Woodhead as delegates, to represent the city and asked that their expenses be paid. On motion of Mr. Tilton the council concurred with the mayor's recommendation and ordered the expenses of the delegates paid from the contingent fund.

Another communication from the mayor recommended that Main street from Phoenix bridge to State street be paved by granite blocks, and transmitted a waiver of damages from all abutters unless the heirs of Mrs. Bravely, who yet has no heirs and their signatures therefore could not be obtained. Mr. Whitaker moved that the street be paved as recommended. Mr. Hamer then requested that Mayor Houghton, Commissioner Hunter and Engineer Emigh be invited to appear before the council and answer questions.

Mr. Tilton thought Mr. Hamer's motion out of order because another motion was before the house.  
Mr. Hamer received permission to speak on his motion and held that it was the council's right to inform itself as to the intention of the executive officers with reference to the paving. He spoke at length and held that the council was the body responsible for all steps. Mr. Whitaker followed Mr. Hamer and thought the matter should be referred to the committee on streets, which should inform itself thoroughly and report. He instanced the fact that the governor and council and the legislative department of government to answer questions. It was his opinion that the council would do honor to itself by doing its own business, for which it is equipped by committee. Mr. Perry held an opinion similar to Mr. Hamer. It is the easier way, he said, to vote things than to investigate them and he thought the executive officers should in some way give the desired information.

Mr. Hamer read from the charter to support his position. Mr. Brown thought that if the president requested the officials to be present his action would be supported. The president refused indignantly. Mr. Perry wanted to know if a motion was in order and the president said he would not say for he, because of objections, stood before the council as nobody. Mr. Hamer wanted an expression on his request and after all the ridiculous maddling the council unanimously sustained it.

Mr. Tilton waited on Messrs. Hunter and Emigh and found Mr. Hunter absent. Mr. Emigh appeared and Mr. Hamer was in such haste that he moved the telephone be used to summon Mr. Hunter.

Mr. Whitaker characterized the action as undignified and childish and said he was sorry to observe it. He recommended that before such hasty action be taken the matter be postponed until the next meeting. Mr. Emigh explained Mr. Hunter's absence by slight illness and Mr. Perry wanted to know if the public interest would suffer by postponement and Mr. Emigh thought it was not for him to say. On motion of Mr. Perry, Mr. Whitaker's motion was tabled, and then Mr. Sykes made the most welcome motion to adjourn. So ended an unprecedented mixing and marring.

ODE TO THE QUEEN.

Written by a Brother of Local Residents and Universally Used.

Printed beneath is an 'Ode to Queen Victoria, written for the celebration of the queen's diamond jubilee' by Henry Hamer of Lowell. Two brothers of Mr. Hamer, John and William Hamer, are employed by the North Adams Manufacturing Co. in its mill at Graytown. Because of this and the celebration to-night, as well as for the ode's quality and the appreciation it shows of a great character in history, it is given in full, as timely and interesting matter. The ode:

"Grand, noble lady, illustrious queen,  
How great and good thy life has been!  
A model ruler! Such glorious reign  
We'd sought to find but sought in vain.  
Victoria, we thee all adore,  
Thy name will live forevermore.  
"Proud Albion's sons where'er they bide,  
Look down upon thy reign with pride,  
Be they in Britain or across the sea,  
They'll celebrate thy jubilee.  
Victoria, time can ne'er deface  
The love we hold our ancient race.  
"Thy life from childhood to ripe old age  
Has always shone from stage to stage,  
Flawless and unique as woman, queen,  
Thus thee all nations now have seen,  
Victoria, virtuous, lovely, pure,  
Thy name and fame will long endure.  
"In looking backward we see alone  
Great Britain's queen ascend the throne,  
A tender maid of youthful years,  
Who sealed her oath with pious tears  
Victoria, He that rules above  
Has sealed thy acts with endless love.  
"Through all the changes in this world's  
life,  
As woman, ruler, mother, wife,  
Victoria's name unblemished stands  
And in every clime respect commands.  
We'll celebrate thy jubilee

before the council and answer questions. Mr. Tilton thought Mr. Hamer's motion out of order because another motion was before the house.  
Mr. Hamer received permission to speak on his motion and held that it was the council's right to inform itself as to the intention of the executive officers with reference to the paving. He spoke at length and held that the council was the body responsible for all steps. Mr. Whitaker followed Mr. Hamer and thought the matter should be referred to the committee on streets, which should inform itself thoroughly and report. He instanced the fact that the governor and council and the legislative department of government to answer questions. It was his opinion that the council would do honor to itself by doing its own business, for which it is equipped by committee. Mr. Perry held an opinion similar to Mr. Hamer. It is the easier way, he said, to vote things than to investigate them and he thought the executive officers should in some way give the desired information.

Mr. Hamer read from the charter to support his position. Mr. Brown thought that if the president requested the officials to be present his action would be supported. The president refused indignantly. Mr. Perry wanted to know if a motion was in order and the president said he would not say for he, because of objections, stood before the council as nobody. Mr. Hamer wanted an expression on his request and after all the ridiculous maddling the council unanimously sustained it.

Mr. Tilton waited on Messrs. Hunter and Emigh and found Mr. Hunter absent. Mr. Emigh appeared and Mr. Hamer was in such haste that he moved the telephone be used to summon Mr. Hunter.

Mr. Whitaker characterized the action as undignified and childish and said he was sorry to observe it. He recommended that before such hasty action be taken the matter be postponed until the next meeting. Mr. Emigh explained Mr. Hunter's absence by slight illness and Mr. Perry wanted to know if the public interest would suffer by postponement and Mr. Emigh thought it was not for him to say. On motion of Mr. Perry, Mr. Whitaker's motion was tabled, and then Mr. Sykes made the most welcome motion to adjourn. So ended an unprecedented mixing and marring.

ODE TO THE QUEEN.

Written by a Brother of Local Residents and Universally Used.

Printed beneath is an 'Ode to Queen Victoria, written for the celebration of the queen's diamond jubilee' by Henry Hamer of Lowell. Two brothers of Mr. Hamer, John and William Hamer, are employed by the North Adams Manufacturing Co. in its mill at Graytown. Because of this and the celebration to-night, as well as for the ode's quality and the appreciation it shows of a great character in history, it is given in full, as timely and interesting matter. The ode:

"Grand, noble lady, illustrious queen,  
How great and good thy life has been!  
A model ruler! Such glorious reign  
We'd sought to find but sought in vain.  
Victoria, we thee all adore,  
Thy name will live forevermore.  
"Proud Albion's sons where'er they bide,  
Look down upon thy reign with pride,  
Be they in Britain or across the sea,  
They'll celebrate thy jubilee.  
Victoria, time can ne'er deface  
The love we hold our ancient race.  
"Thy life from childhood to ripe old age  
Has always shone from stage to stage,  
Flawless and unique as woman, queen,  
Thus thee all nations now have seen,  
Victoria, virtuous, lovely, pure,  
Thy name and fame will long endure.  
"In looking backward we see alone  
Great Britain's queen ascend the throne,  
A tender maid of youthful years,  
Who sealed her oath with pious tears  
Victoria, He that rules above  
Has sealed thy acts with endless love.  
"Through all the changes in this world's  
life,  
As woman, ruler, mother, wife,  
Victoria's name unblemished stands  
And in every clime respect commands.  
We'll celebrate thy jubilee  
We'll honor to thy prosperous reign—  
Thy life we ne'er shall see again,  
God bless thy empire, thy people brave,  
Mayst thou have peace down to thy grave.  
We'll toast thy health with three times three,  
On this thy diamond jubilee!"

## THE OLD TENTH

The Annual Reunion of the Regiment Held at Greenfield, Monday.

HAPPY GATHERING OF VETERANS

North Adams Well Represented. Sketch of the Days Doings. Election of Officers. A Good Dinner. Next Year's Reunion at Holyoke.

The comrades of the 10th Massachusetts regiment met for their annual reunion Monday for the 30th time since they were mustered out of service. The gathering this year was at Greenfield in response to an invitation from Edwin E. Day, Grand Army post 118, arrangements for the reunion had been carefully made under the direction of Captain George Pierce, chairman of the committee of the post.

E. E. Day post, led by Captain Anson Withey, marshal, and the Greenfield drum corps, residents of the city, met at the annual of trains from east, west, and south between 11 and 12 o'clock. The veterans were supplied with neat badges bearing on the face the words "10th Massachusetts regimental association 50th annual reunion Greenfield June 21, 1897. Guests of Edwin E. Day post No. 174."

On the reverse were the names and dates of the engagements in which the regiment took part. The members of the old 10th fell into line under the command of Col. J. B. Parsons of Boston. The principal streets of the town were paraded, after which the regimental association assembled in the opera house for the transaction of business.

On the stage in addition to were the vice presidents, Captain George Pierce of Boston, Lieutenant Jesse Prickett of Putnam, Andrew Saur of Shelburne Falls, and Norman Cornwall of Northampton. H. M. Converse of Warren, treasurer, Dwight O. Judd of Holyoke, and Lewis F. Amidon of North Adams, the chaplain. In all about 150 of the veterans of the regiment were present.

The election of officers resulted as follows: President, Andrew Saur of Shelburne Falls, vice presidents W. H. Adams of Worcester, A. A. Haskins of North Adams, H. G. Gilmore of Springfield, James R. After the dinner an adjournment was taken to the opera house, where the after dinner speeches were made. President Darby presiding. Capt. George Pierce gave a brief address of welcome. Col. Parsons spoke in eulogy of Captain Day, for whom the entertaining post was named, and in a reminiscent manner of the three years' service of the 10th regiment. He recalled the heroism of many of its valiant men, and said "We shall not forget the names of Day, Miller, Smart, Parker and others like them, and our children must not forget them. Other speakers were Editor E. A. Hall of the Greenfield Gazette, Col. S. C. Warriner of Springfield, Capt. George H. Davenport of Greenfield, Secretary H. M. Converse, J. W. Hersey of Springfield, Commander Henry A. Tower of this city, Rev. R. H. Carey of Greenfield, Dwight O. Judd of Holyoke, and A. A. Smith of Colrain. A vote of thanks was extended to E. E. Day post and three cheers were given for Colonel Parsons.

It was voted that the next reunion be held in Holyoke. The dinner will be held at the Hotel Hamilton and later in the day there will be an excursion to Mount Tom park on Mt. Tom.

After the business meeting the veterans marched to Grand Army hall, where a bountiful dinner was served by the W. A. Relief corps. Among those who attended from this city were Commander H. A. ## NO GAME.

The Great Baseball Team Will Not Play North

North Adams has lost an opportunity to see some famous college baseball players in the game here. About two weeks ago some of the local baseball cranks asked Sanford Robinson, who for four years was manager of the Drury line, to get together those of the players that could be reached, strengthen the team with some local college men and get a game with Manager Lawson.

The result was that at the expense of a great deal of time and trouble the following team was collected. Plunkett, the great pitcher for Williams this year, who has made a record which a veteran could well be proud of, and the famous "Jack" Hollister, were to be the pitchers. Hollister will be remembered as the captain of Williams '13, who afterwards made such a name for himself as a pitcher and batter throughout the west. Loague, a North Adams boy, whose catching for St. Johns has attracted so much attention that Brown, Princeton and Williams are all trying to secure him was to catch Guadrich, Austin and Dravdale, who for four years at our own high school and later for last year at Williams have so acceptably occupied the bases, would play their usual positions, and Heffernan was to occupy the position between them at short. Heffernan is a down county boy, and is the Williams shortstop. Doughty and Captain Jewett of the Williams team were to occupy their positions at left and center and Hollister when not pitching was to play right. DeWolfe and Keeffe, both well known here, were to be the substitutes. As Hollister lives in Cambridge, N. Y., and Doughty has a summer home at Williamstown, Dewey is the only player who is not strictly local. Mr. Robinson was unable to secure terms, at all satisfactory with Manager Lawson and so the game will not be played. This team is probably stronger than any amateur club that ever played in Western Massachusetts and a would have been interesting to see what kind of a game these local men could have given our professionals. When we said about a week ago that a permanent team was being organized here, we were misinformed. This team was organized only for this one game if it could be arranged.

President McKelvey's lines that players will be better off at home, and a 50 per cent cure, gives a kick about the game. We keep the best cricket and bowling, and all kinds of other things.
